Remarks

Just Listed!! Stunning two-bedroom, one-bathroom site-built house with a larger one-car garage. This property exudes charm, style, and functionality in equal measure. From the moment you step inside, you are captivated by its thoughtful design and meticulous attention to detail. Let's start with the exterior. The house boasts an attractive curb appeal with a stucco finish and wonderful front porch area. The one-car garage, a valuable addition, provides convenient parking and extra storage space an ideal feature for homeowners. As you enter the house, you are greeted by an open and inviting living area. The layout is thoughtfully designed, creating a seamless flow between the living room, dining area, and kitchen. The natural light streaming through the front and back windows bathes the space in warmth and light. The kitchen is an absolute delight for anyone who enjoys cooking or entertaining. It features modern stainless steel appliances, ample counter space, and high-quality cabinetry that provides an abundance of storage options. The clever use of space allows for a small dining area to enjoy a morning cup of coffee or a quick bite. The two bedrooms are equally impressive. Both bedrooms are spacious and boast a large window that provides light and outside views. The
